

Pronouns and Reference Words

Name: _____

Date: _____

Instructions: Read each passage carefully. Fill in the blanks with appropriate pronouns (he, she, it, they, him, her, them, his, hers, their, etc.) or reference words (this, that, these, those, the animal, the girl, etc.). Make sure your answers make sense with what came before.

Passage 1: The School Trip

Last week, Mrs Thompson took her class to the museum. _____ had been planning the trip for months. The students were very excited because _____ had never visited such a large museum before. When the bus arrived, _____ climbed aboard quickly. During the journey, some children played games while _____ looked out the windows. The museum guide, Mr Chen, greeted the class warmly. _____ showed _____ around the ancient history section first. The dinosaur skeletons were amazing, and _____ made the students gasp in wonder.

Passage 2: The Lost Puppy

Emma found a small puppy shivering in the park. _____ looked lost and scared. Emma bent down and spoke softly to _____. The puppy wagged _____ tail nervously. Emma noticed a collar around the puppy's neck, but _____ had no tag attached. "Don't worry," Emma whispered. "_____ will help you find your home." Emma's brother Jake arrived with a blanket. _____ wrapped it around the frightened animal. Together, Emma and Jake took _____ to the local vet to check for a microchip.

Passage 3: The Science Project

Amir and Sophie worked together on a science project about volcanoes. _____ spent two weeks researching and building a model. Amir focused on the written report while Sophie constructed the volcano. _____ used papier-mâché and paint to make _____ look realistic. On presentation day, _____ were both nervous. Sophie explained how volcanoes form, and _____ was clear and confident. Then Amir demonstrated the eruption using vinegar and baking soda. _____ bubbled dramatically, impressing all the judges. The pair smiled at each other because _____ knew _____ had done _____ best work.

💡 Remember: Pronouns must agree in number (singular/plural) and gender with the nouns they replace!
