

Making Predictions from Text

Name: _____

Date: _____

Instructions: Read each story beginning carefully. Then predict what might happen next!

1. Story One

Sam was playing with his ball in the garden. He kicked it really hard. The ball flew over the fence into the neighbour's yard.

What do you think happens next? Circle your answer:

- a) Sam goes to ask the neighbour for his ball back
- b) Sam goes inside to watch TV
- c) Sam starts building a sandcastle

2. Story Two

Mia opened her lunchbox at school. She saw that her mum had packed her favourite sandwich, some apple slices, and a chocolate biscuit. But Mia was not hungry yet.

What do you think happens next? Circle your answer:

- a) Mia eats all her lunch straight away
- b) Mia closes her lunchbox and waits until lunchtime
- c) Mia throws her lunch in the bin

3. Story Three

Jake heard a loud meow coming from outside. He looked out the window and saw a small kitten stuck up in the tall tree. The kitten looked scared.

What do you think happens next? Write your prediction:

4. Story Four

Lily was getting ready for bed. She brushed her teeth and put on her pyjamas. Then she picked up her favourite bedtime story book.

What do you think happens next? Write your prediction:
