

Sequence the Story Events

Name: _____

Date: _____

Instructions: Read the story carefully. Then number the events below in the order they happened. The first one is done for you.

A Day at the Beach

Mia woke up early on Saturday morning. She was very excited because her family was going to the beach. After breakfast, Mia helped her mum pack sandwiches and fruit into a cooler.

When they arrived at the beach, Mia put on her sunscreen. Then she ran straight into the water with her brother Tom. They splashed and played in the waves for a long time.

After swimming, Mia and Tom were hungry. They ate their sandwiches on a big beach towel. The sandwiches tasted delicious!

In the afternoon, Mia built a huge sandcastle with her bucket and spade. She decorated it with shells she found on the sand.

When the sun started to go down, it was time to go home. Mia was tired but happy. It had been a wonderful day at the beach.

Number the events in the correct order (1-7):

1

Mia woke up early on Saturday morning.

Mia and Tom ate sandwiches on a beach towel.

It was time to go home when the sun started to go down.

Mia helped her mum pack sandwiches and fruit.

Mia built a sandcastle and decorated it with shells.

Mia put on sunscreen at the beach.

Mia and Tom played in the waves.
