

Character Description Writing Exercise

Name: _____

Date: _____

Good writers create vivid characters by combining physical details, personality traits, and unique mannerisms. Complete the tasks below to practise building a detailed character description.

Part A: Physical Appearance

Describe your character's physical appearance. Include at least four specific details (e.g. height, build, hair, eyes, clothing, distinctive features).

Part B: Personality Traits

Choose three personality traits for your character and provide a brief example or explanation of how each trait shows itself.

Trait 1: _____

Example: _____

Trait 2: _____

Example: _____

Trait 3: _____

Example: _____

Part C: Mannerisms and Habits

List two specific mannerisms, gestures, or habits that make your character unique and memorable.

1. _____

2. _____

Part D: Complete Character Description

Now combine everything into one descriptive paragraph. Write a complete character description that brings your character to life. Use vivid language and sensory details.
