

Paragraph Writing: Topic Sentences and Supporting Details

Name: _____

Date: _____

Remember: A good paragraph has a clear **topic sentence** that states the main idea, followed by **supporting sentences** that give details, examples, or explanations.

Part A: Identify the Topic Sentence

Read each paragraph and underline the topic sentence.

Regular exercise provides many benefits for teenagers. It helps improve physical fitness and builds stronger muscles and bones. Exercise also boosts mental health by reducing stress and anxiety. Additionally, being active can help students sleep better at night and feel more energised during the day.

The school library is located on the second floor of the main building. It opens at 8:00 am and closes at 4:00 pm on weekdays. Students can borrow up to five books at a time for two weeks. The library also has computers available for research and study spaces for group projects. Our school library is an excellent resource for all students.

Part B: Write Supporting Sentences

Add THREE supporting sentences to develop each topic sentence below.

1. Learning a musical instrument teaches valuable life skills.

- _____

- _____

- _____

2. Social media has changed the way young people communicate.

- _____

- _____

- _____

Part C: Write a Complete Paragraph

Choose ONE topic below and write a complete paragraph with a topic sentence and at least four supporting sentences.

- The importance of protecting New Zealand's native wildlife
- Why reading books is still valuable in the digital age
- The benefits of learning te reo Māori

[illegible]
